Visibility

- The product gives you a clear and unobstructed view of the outdoor without compromising your privacy from outsider viewers.
- As a mesh-screen product,**MESH♦SECURE** allows the free-flow and circulation of air for your comfort.
- More energy efficient in term of air conditioning and electric fan consumption.
- Able to block an average percentage of 60% of harmful UV rays.

Protection and Peace of Mind

- **MESH♦SECURE** security doors & windows provide a security barrier to unlawful entry to your home, discouraging intruders.
- **MESH♦SECURE** provides protection from flies, mosquitoes and other pests.
- Designed with both security and applications in mind,**MESH♦SECURE** helps to prevent burglars whilst providing home owners with ease of use, entry and exit.
- **MESH♦SECURE** products are made strong, secure and durable to provide you years of trouble-free use.
